EVENT PACKAGES

If you are wanting to make your party planning easier, we have taken the most popular elements from the hundreds of parties we have hosted over the years and brought them together to create a number of pre-selected food and beverage packages. This alleviates stress and saves you time without having to select beverage and food options.

If you would prefer to have your event customised and select from our wider range of food and beverage options, we have created Selector forms to simplify your selection and budgeting which includes recommended quantities. Our Event Planner will work with you to create a tailored event plan and runsheet for your event.

BEVERAGE PACKAGES

For most events beverage is charged 'on consumption' where you are charged for what is consumed on the day of your event. This also allows the bar to set up subsidised drinks for guests.

If you would prefer to pay a set rate for your drinks we offer a package for 2 hours, 4 hours and 5.5 hours based on standard average consumption rates.

We have created three pre-selected beverage combinations, restricting certain drinks depending on your budget.

TERMS & CONDITIONS THE FINE PRINT

BEVERAGE PACKAGE TERMS & CONDITIONS

Approximately 14 days prior to your event you will be invoiced for your selection along with any other fixed costs.

Beverage packages apply to all guests (with the exception of minors). Non-alcoholic beverages including mocktails are served as part of the package for guests who do not drink alcohol.

Beverage package times start at guest arrival time, and the package includes drinks for early arrivals when the doors open 15 mins prior to the official arrival time.

Juice and soft drinks are unlimited. Alcoholic beverages are set at average consumption rates. At the end of the package time period, or when the number of beverages has been met (which ever occurs first) the host can select to either run a TAB or have an open cash bar for guests to buy their own drinks.

It is against the law for us to serve intoxicated guests. This is at the discretion of the Duty Manager, and we ask you to respect their decision.

THANK YOU

Let us know if you have any questions and we will be happy to help. If you would rather select from our wider range of food menus, and charge the beverage on consumption, our event planner will tailor your event to suit your needs.
